

# We give back to Northwest Family Services with our Community Partnerships.

Each time a Northwest Family Services employee, board member, friend or relative buys or sells a home with Mary Abbott Young, Coldwell Banker Seal will make a donation to Northwest Family Services. All you need to do is identify yourself as being referred by NWFS.

Coldwell Banker Seal established its Community Partnership program as a way to support our brokers as they partner with organizations who are committed to the welfare of our communities.

Through our Community Partnership program, we say thank you to Northwest Family Services!

For more information on the Northwest Family Services partnership, contact Jordan Turel at 503-546-6377.

Thank you for your support!
